

The Wahama FBLA will be doing a food drive to help with the backpack program for New Haven Elementary. The backpack program provides food for the students to take home on the weekends and during the summer. The food drive will take place April 18th – May 2nd.

For every 5 items that students bring in, they can receive 1 hour community service. Along with community service, for each item brought in they will be entered into a drawing for a gift card donated by Tudors in Mason. A box will be provided in Mrs. Wood’s room to collect the items.
