

## Choir Assignment

On a separate sheet of paper, answer each writing prompt using complete sentences. Each answer should be a minimum of one full sheet of paper (front only). Handwriting must be legible.

**Day 1:** Choose a specific establishment (shopping mall, law firm, doctor's office, sports stadium, fast food restaurant, fine dining establishment) and imagine that you were in charge of choosing the music for it. Explain how music can affect one's mood. Explain what type of music you'll use and why.

**Day 2:** The new school you moved to thinks that music is a waste of time. There are no music classes, no choir classes, no music played at sports events, and no one is allowed to listen to music on their electronic devices while on school grounds or on the bus. How do you think these rules will impact the students? Will it affect their mood? How so?

**Day 3:** What's the first song you remember learning as a child? Who taught it to you? Do you still remember the words and tune?

**Day 4:** Friedrich Nietzsche said, "Without music, life would be a mistake". Do you agree or disagree? Why do you feel the way you do? Explain.
