

NON-TRADITIONAL INSTRUCTIONAL DAY

Chemistry

Beginning with the first assignment, work through the following for a maximum of 45 minutes. If one of the assignments is unavailable, proceed to the next assignment.

1. Finish any homework or assignments from the previous day of class.
2. Check YouTube and Dropbox for new lectures (uploaded within the previous 2 days).
3. Work on the provided packet of questions.
4. Work on assignments from the current unit in your textbook.

Assignments will be assessed upon return to school.
